IMPORTANT WARNING

In order to maintain the company's sustainability and credibility, we are transparent in warning that this business can work gains in days, months or years.

Transfers, changes and changes in the platform, server, website, company rules and in the (APN) presentation of the plan business, can occur at any time and like any company, external factors can generate unexpected changes, read the entire (APN) presentation of the business plan, terms of service multiple times if necessary, visit our websites, networks social and clear all your doubts about this business.

All companies depend on the entry of new customers, this is how the whole market works by selling to customers today and tomorrow to other different customers and so on

In all businesses there is a direct or indirect referral system, just someone buys a product and likes it go out publicizing or even the people who see you with a certain product ask where you bought it, we work with direct, indirect, binary indication, among others with variable values for a certain period or limited promotional

In all businesses, earnings are variable having days, months or years that the company sells a lot and having days, months or years that the company sells little, so the company's profit division is also variable

We promise long-term gains based on the reality of the entire market in order to have a margin of certainty and security that you will receive services and/or products and your profits and the more you participate in the company's networking system the faster you will profit

BOMBEM reserves the right to include, exclude or change any of the conditions described, whenever it finds necessary and healthy for the business. In return, it undertakes to publicize these changes through press releases, on their websites, social networks, by emails and in person events
